

# Handgards®

First in FOOD SAFETY Innovations

## Let Us “Carry Your Bags”

## ■ Low and High Density Bags

### Low Density Food Storage Bag

- Keeps vegetables crisp, fruits juicy, and breads fresh
- Perfect for storing larger items like salads
- Protects foods stored on the counter or in the refrigerator
- Can also be used in the freezer
- Available in easy roll dispensing package

### High Density Freezer Bag ®

- Moisture vapor barrier prevents foods from drying out
- Prolongs shelf life in freezers, coolers, and warmers
- No freezer burn, foods can be stored up to 6 weeks at -50°F
- Great for dry storage and transporting
- Safe to go from freezer or cooler to microwave or boiling water
- Grease, leak, and tear resistant

**\*Some of the items are Kosher Certified**

Low Density Storage Bags

High Density Storage Bags

## ■ Preportioning Bags ®

- Pre-printed graphics offer easy identification
- Direct from freezer to microwave to plate
- No freezer burn and no need to repackage
- Prepare foods ahead of rush hour traffic
- More efficient use of employees during slow times
- Provides faster service during peak hours

### Daily Bags

- One bag for each day of the week
- Color coded printed bags for each day of the week.
- Printed in English, Spanish, and French

### Weekly Bag

- One bag for the entire week, helps you reduce SKUs
- Each bag is printed with all 7 days of the week
- Printed in English, Spanish, and French

### Tinted Bag

- Colored high density film allows for easy and immediate identification of portions needed for that day.
- Printed in English, Spanish, and Creole

- Best for use in microwave or freezer
- Use high density bags when foods need to be frozen or stored for extended periods
- Convenient "Flat Pack" dispensing

*...for all your food storage solutions*

## ■ **Pan Liners and Rack Covers**

### **Steam Pan Liners** Ⓢ

- Eliminate labor intensive job of scrubbing and soaking baked-on foods
- Eliminate costly product waste and messy clean up
- Perfect for steam table warmers, food warmers, crock and soup pots
- Maximum temperature of 220°F. NOT designed for use in ovens
- Go direct from freezer to microwave
- Domestically made of High Density Polyethylene

**\*Some of the items are Kosher Certified**

### **Ovenable Pan Liners & Ovenable Roasting Bags** Ⓢ

- Eliminate labor intensive job of scrubbing and soaking baked-on foods
- Eliminate costly product waste and messy clean up
- Domestically made of high temperature nylon, bags are safe to use up to 400°F
- Bags will not impart odor or taste to food
- Prevent direct metal-to-food contact to enhance appearance and improve moisture and flavor retention

### **Bun Pan Rack Covers** Ⓢ

- Strong, tough, tear resistant, and easy to identify contents of rack
- Provides an excellent moisture vapor barrier
- Keeps foods moist and fresh, keeping dust out

### **High Density Food Sheets** Ⓢ

- Protects against cross contamination
- Serves as the ideal wrapper for deli sandwiches
- Can be utilized for pizza dough separation or as an added protector between the pie and the box

## **Why Handgards?**

- For 60 years, we've been the North American leader for foodservice plastic disposables. We have flourished by retaining our industry leading ability to develop new and innovative products that help you save time and money.
- We are also first in Food Safety Innovations that protects the end-user from costly outbreaks of food contamination.
- Unlike other companies in our industry, we're an innovator and a manufacturer, not just a distributor.
- We have the broadest menu of products in the industry.
- We also have a standard of service all our own.
