

### Pan Handlers® Cook Chill Bags

Handgards® Panhandlers® Cook Chill Bags provide top quality food preservation with ease. Ideal for restaurant operators, commercial and non-commercial kitchens, commissary kitchens, institutional cafeterias, and ghost kitchens, where preparing food in bulk quantities and cooking large batches of meals is crucial for the success of your establishment. Our Cook Chill Bags facilitate daily kitchen operations by creating a centralized control of inventories, increasing food yield, improving productivity, and avoids accidental breakage eliminating food waste that leads to higher costs.

Our Cook-Chill bags will let kitchen operators preserve their food to ensure it is safe to be consumed and has an acceptable texture, flavor, smell, and nutritional properties to be served and enjoyed later.

### PROUDLY MADE IN THE U.S.A.

Manufactured in the U.S.A. and made with a high-quality film that provides a cooling, storage, and transporting solution for many leading foodservice establishments.
